RAISED

Money to Pay the Debt.

\$5,000 Pledged to Main St. M. E. Church.

Three Rally Services Were Held Sunday.

Two years ago Rev. John W. Moore took charge of the Main St. M. E. church and his pastorate here has been eminently successful. In the past 18 months there have been nearly 100 accessions to the church. The people, however, have been laboring under a debt of \$5,000, \$3,500 of which was due on the church property, \$500 for a new boiler for the furnace which was put in this winter, the balance being a mortgage on the parsonage.

Rev. Moore has been making strenuous efforts to raise this debt and Sunday a special rally for this purpose was held and Dr. Rees, formerly assistant secretary of the Freedmen's Aid and recently appointed to a charge in Pittsburgh, a financial manager of note, was secured to assist in the services.

At the morning service, which was largely attended, Dr. Rees preached on "The Parable of the Mission of the Holy Spirit," dwelling on the fourfold office of the Holy Spirit—that of a helper, a re-informer, a comforter and advocate. At this service, \$3,500 was secured and the remaining \$1,500 was raised at the afternoon and evening sessions.

The afternoon service was addressed by the Methodist ministers of the city and was an exceedingly interesting one. The first speaker of the afternoon, was Rev. Dr. M. B. Pratt. "The church of today," said he, "redounds to the credit of the masses more than anything else in the world, but I question if the people of this day have the same enthusiasm as their fathers had." He spoke of the salutary effect of sacrifice on the lives of others and gave a little talk on the trials of ministers.

Rev. W. F. Wyckoff, of the Woodland church, who hopes soon to begin the erection of a new church building, was next on the program and said in part: "We come nearest the likeness of God when we are sacrificing for others rather than when they are giving for us. The best service we can render to God and humanity is to spend and be spent in the work of the Master."

Rev. E. E. Wilson is pastor of the North Hill church which has the distinction of being the only Methodist church in Akron that is entirely free from debt. "It is fundamental with the Methodist church," said he, "that she holds to the old doctrine of saving by faith. I want to win men by love, not by law."

Rev. J. C. Smith, of Grace M. E. church was then called to the platform. "A church debt is a good thing, if we take care of it. It is a good thing to be in the midst of the fight and go to have some part in the struggle," Rev. Smith has been in Akron longer than any other Methodist minister, his being his fifth year here. "His church shows an improvement of 100 per cent. since his pastorate," said the presiding elder recently.

Others who took part in this service but did not deliver addresses were Dr. Robbins, presiding elder of this district and Dr. J. W. King, presiding elder of the Youngstown district and formerly pastor of the Main St. church.

For the Complexion.
The complexion always suffers from biliousness or constipation. Unless the bowels are kept open, the impurities from the body appear in the form of unsightly eruptions. De Witt's Little Early Risers keep the liver and bowels in a healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took De Witt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or distress. Safe, thorough and gentle. The very best pills.

Niles, O., March 24.—The Rev. and Mrs. C. F. Hill, the former until recently pastor of the A. M. E. church at Marshall, were given an unusual send off last night, when they departed for Jackson, their new field of labor. Mrs. Barbara Taylor, one of the leading members of the church, with whom the preacher had had trouble over church affairs, dressed herself in a gown representing the devil, and going to the Michigan Central station, with a big tin pall and base ball bat, drummed the couple out of town.

The Czarina In the Whirl of a Student Mob

Carriages of Imperial Household Mixed In the Crowd.

On Sunday, after one of the flights of the students in St. Petersburg, Russia, the Czarina passed the spot where it occurred, in an open sleigh, and as it was she was involved in the whirl of the people, while carriages of the nobility and members of the imperial household were several times mixed up in the melee.

The authorities made evident efforts to prevent bloodshed and in this they were remarkably successful, considering the magnitude of the demonstration.

The students of St. Petersburg, organized what was intended to be an imposing demonstration in front of the Cathedral of Our Lady of Kazan, the occasion being the anniversary of the death of Vetrova, a girl who committed suicide, some years ago, in a dungeon of the political prison in the Fortress of St. Peter and St. Paul, in order to escape infamous persecution. Serious rioting ensued, the students were attacked by Cossacks and police and about eight hundred arrests were made.

Attempted Suicide.

Findlay, O., March 24.—Dr. W. L. Zoph, one of the prominent young physicians of the city, attempted to end his life at an early hour by cutting his throat with a razor. He is said to be temporarily insane. He will recover.

SKULL

Fractured by a Train.

Struck by Freight He Was Sent to Flag.

A P. & W. Brakeman Maybe Fatally Hurt.

Edward Doyle, a P. & W. yard brakeman, was struck by a P. & W. freight Saturday about 4 p.m., near Cuyahoga Falls, and perhaps fatally injured. His skull was fractured.

Doyle had gone to the Falls with the P. & W. yard crew and sent out as flagman. He sat down on a cattle guard beside the track and apparently fell asleep. His head hung over the track, and when the freight train came along he was struck.

He was picked up unconscious and brought to Akron in the caboose of the freight and taken to the City hospital.

An operation was performed on Doyle soon after he was brought to the hospital, and pieces of his skull were removed. Monday he seemed somewhat better, but his recovery is regarded as doubtful. He was unconscious, but was unable to speak.

Doyle was married only six weeks ago to Miss May E. Carney, daughter of Mr. and Mrs. Wm. C. Carney, of 111 Bluff st.

The couple reside at 202 Adams st. Doyle is 23 years old.

TALKED AND DIED.

Excessive Use of His Tongue Ended Young Man's Life.

McKeesport, Pa., March 21.—Overjoyed because he had suddenly regained his speech and a clear mind after eighteen months, Isaac Getting had talked himself to death. When Getting made the remarkable recovery last Monday, the physicians were baffled to explain the phenomenon. They declared that his mind was absolutely clear and active and his speech was as free as any one's.

Then they were confronted with a serious dilemma. Getting insisted on talking continuously to everybody who visited him, and when at last visitors were denied him, he chattered.

Presbyterian Church For Barberton.

Presbytery Will Act April 2.

A Presbyterian church for Barberton, is now an assured fact. Some time ago a movement was set on foot looking to the establishment of a Presbyterian society in the village and a petition, signed by 105 persons was sent to the Cleveland presbytery, which held a meeting last Monday and appointed a commission of 15 laymen and clergymen to take the matter up with power to act.

Special meetings are being held and a special effort being made to properly entertain the members, and have good reports to submit when the presbytery meets with the commission in Barberton on April 2, when the final steps to the establishment of the church will be taken.
